| Cable TV_____ | 17. Final Clean-up_____ |
| 6. Sub Base Grading_____ | 18. As-Built Plan_____ |
| 7. Base Grading_____ | |
| 8. Trees_____ | |

Items 1 through 4, and 6 through 17, shall be inspected and approved by the Planning Board or its designated agent. The sub-divider shall request inspection at least two full working days prior to the time of each required inspection.

A representative of each specific utility company must approve the items under (5) as completed. A letter authorizing said representative to inspect and approve shall be filed with the Board.

The approval of any stage is for the purpose of proceeding to the next stage and does not relieve the developer from repairing, correcting, renewing or replacing any defects or imperfections in the construction method or the quality of materials discovered before final inspection.

Upon completion of the Inspection of Construction, the Planning Board or its designated agent shall make a final inspection of the street and notify the developer in writing of any defects that must be corrected.

I, or my agent, can be reached at the following locations, phones, and times.
