

**RULES AND REGULATIONS GOVERNING THE  
CONSTRUCTION AND POST-CONSTRUCTION BYLAWS**

1.0. SUBMISSION – A Stormwater Management/Erosion and Sedimentation Control Plan (Plan) shall be filed with the Planning Board conforming with Sections 20B and 20C of the Seekonk Town Bylaws and the following:

1.1 Two (2) copies of the Plan showing all information required by the aforementioned sections of the Seekonk Town Bylaws and these Rules and Regulations.

1.2 A statement by the preparer of the Plan, who shall be a Registered Professional Engineer, certifying that the submitted Plan meets the standards required by the aforementioned sections of the Seekonk Town Bylaws and these Rules and Regulations.

2.0. INSPECTIONS

2.1 Prior to any site work commencing, the Planning Board or its agents shall inspect and approve the implemented erosion and sedimentation control measures as depicted on the submitted Plan.

2.2 Prior to occupancy permit issuance, a record plan indicating the as-built conditions of the site shall be submitted to the Building Department along with a statement by the preparer of the record plan, who shall be a Registered Professional Engineer, certifying that the submitted record plan meets the standards required by the aforementioned sections of the Seekonk Town Bylaws and these Rules and Regulations.
